NATIONAL SERVICE SCHEME

VANA MAHOTSAVAM

Name of the Activity : Vana Mahotsavam

Date : 07-07-2023

No of Participants : 20

Objectives:

The National Service Scheme (NSS) volunteers inaugurated the Vana Mahotsavam Plantation Programme in Gorantla village with the following objectives. First, to contribute to environmental conservation by planting a significant number of trees in the village. Second, to raise awareness about the importance of afforestation and the positive impact it has on the local ecosystem. Third, to involve the community in the plantation process, fostering a sense of collective responsibility towards environmental sustainability.

Brief Report:

NSS volunteers inaugurated the Vana Mahotsavam Plantation Programme in Gorantla village with enthusiasm and commitment. The event commenced with a formal inauguration ceremony, highlighting the significance of afforestation in combating environmental challenges. Volunteers, along with community members, actively participated in planting a diverse range of saplings across designated areas in the village. The program not only aimed at increasing the green cover but also sought to educate the community about the crucial role trees play in maintaining ecological balance.

The inauguration witnessed strong community involvement, fostering a sense of shared responsibility towards environmental conservation. The program concluded with a sense of accomplishment as the newly planted trees stood as symbols of collective efforts towards a greener and healthier environment. Ongoing monitoring and care plans were discussed to ensure the long-term survival and growth of the newly planted saplings. The NSS volunteers and the Gorantla village community look forward to witnessing the positive environmental impact of their collective endeavor in the years to come.

Outcomes:

The Vana Mahotsavam Plantation Programme led by NSS volunteers in Gorantla village resulted in several positive outcomes. A substantial number of trees were planted, contributing to the overall green cover of the village. The initiative successfully raised awareness among villagers about the importance of preserving and enhancing the environment through afforestation. The active participation of the community members in the plantation process not only strengthened community bonds but also instilled a sense of ownership and responsibility towards the newly planted trees.
