SAVE GIRL CHILD AWARENESS PROGRAMME

BY

10(A) GIRLS BATTALION NCC, GUNTUR.

Name of the Activity : Save Girls Child Awareness Programme

Date : 20-04-2023

Organizer : Lt. K. Susmitha

No of Participants : 30

Objectives:

The main aim of the scheme is to prevent female feticide and sex determination, ensure safety and save all female children, and to provide them with quality education.

Outcomes:

This program has stirred up collective consciousness towards changing the mindset of the public to acknowledge the rights of the girl child. The scheme has resulted in increased awareness and sensitization of the masses.

Description:

Without recognizing the feminine aspect of divinity, one cannot claim to know GOD. To recognize the feminine it is necessary to restore wholeness, completeness and universality. "SAVE THE GIRL CHILD". Without recognizing the feminine aspect of divinity, one cannot claim to know GOD. Girls are equally as important as boys in the society to maintain the social equilibrium. Few years ago, there was huge reduction in the number of women in comparison to the man. It was so because of the increasing crimes against women such as female feticide, dowry deaths, rape, poverty, illiteracy, gender discrimination and many more. To equalize the number of women in the society, it is very necessary to aware people greatly about the save girl child. Government of India has taken some positive steps regarding save girl child such as protection of women from domestic violence act 2005, ban of female infanticide, immoral traffic (prevention) act, proper education, gender equality, etc.
