### NATIONAL SOCIALSERVICE

**Name of the Activity** : AIDS Awareness Rally  
**Date** : 01-12-2018  
**No. of Participated** : 15

#### Objective:

The National Service Scheme (NSS) Unit of our college is organizing an "AIDS Day" Awareness Programme in Gorantla village on December 1st, 2018, with the primary objective of raising awareness about HIV/AIDS, dispelling myths, and promoting a stigma-free environment. The program aims to educate the villagers about preventive measures, testing, and support available for those affected by HIV/AIDS.

#### Outcomes:

**Increased Awareness:** The awareness program intends to increase understanding and knowledge about HIV/AIDS within the Gorantla village community. Providing accurate information will help dispel misconceptions and reduce stigma associated with the disease.

**Promotion of Preventive Measures:** The program will focus on educating individuals about preventive measures, including safe practices, condom use, and regular health check-ups. Empowering the community with knowledge will contribute to the prevention of HIV/AIDS.

**Dispelling Myths and Reducing Stigma:** Through interactive sessions, the program aims to debunk myths and misconceptions surrounding HIV/AIDS. By fostering an open and supportive environment, the initiative seeks to reduce the stigma associated with the disease, promoting empathy and understanding.

**Encouraging Voluntary Testing:** Promoting the importance of voluntary testing for HIV will be a key component of the program. Encouraging individuals to undergo testing will contribute to early detection and timely medical intervention.

#### Plan of Action:

The "AIDS Day" Awareness Programme will include the following activities:

**Educational Workshops:** Informative workshops will be conducted to provide villagers with accurate information about HIV/AIDS, its modes of transmission, and preventive measures.

**Interactive Sessions:** Engaging discussions and interactive sessions will address common myths and misconceptions, fostering a more informed and understanding community.

**Distribution of Educational Materials:** Pamphlets and educational materials will be distributed to reinforce key messages and provide a reference for continued awareness.

**Voluntary Testing Camp:** A voluntary testing camp will be set up to encourage individuals to undergo HIV testing in a confidential and supportive environment.
