## NATIONAL SERVICE SCHEME

Name of the Activity : Awareness programme on water pollution  
Date : 31-03-2023  
No. of Participated : 50

### Objectives:

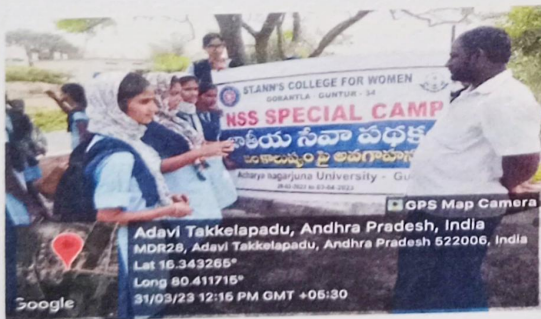

- To educate the community about the various sources and consequences of water pollution. Secondly.
- To raise awareness about sustainable water management practices and the importance of preserving water quality.
- To foster a sense of responsibility among community members towards preventing water pollution. To empower individuals with practical tips and solutions for minimizing their environmental impact.

### Outcomes:

- It enhanced the community's understanding of the sources and implications of water pollution.
- There was an increased awareness of the importance of adopting sustainable practices to preserve water quality.
- The program successfully instilled a sense of responsibility among participants, encouraging them to actively contribute to preventing water pollution in their daily lives.

### Brief Report:

On March 31, 2023, NSS volunteers undertook a crucial initiative to raise awareness about water pollution. The awareness program targeted the community, aiming to educate individuals about the sources, consequences, and preventive measures related to water pollution. The program commenced with informative sessions, where volunteers discussed the various pollutants affecting water sources and their impact on both the environment and human health. Engaging visuals and real-life examples were used to enhance comprehension.
