### NATIONAL SERVICE SCHEME

Name of the Activity : Free Drinking Water

Date : 01-04-2022

No of Participants : 50

**Objective:** The National Service Scheme (NSS) Team conducted a program with the primary objective of providing essential support to the community during the challenging summer season. The focus was on supplying free drinking water to address the increased demand for hydration and alleviate the impact of extreme weather conditions.

#### Activities:

1. **Water Distribution Points:** The NSS Team set up strategically located water distribution points, ensuring accessibility for residents facing challenges in securing an adequate water supply during the summer.
2. **Community Outreach:** Volunteers actively engaged with the local community, spreading awareness about the initiative and encouraging residents to avail themselves of the free drinking water service. Information about the importance of staying hydrated, especially during the summer, was also disseminated.
3. **Hygiene and Safety Measures:** The program incorporated measures to maintain hygiene and safety standards in water distribution. Volunteers ensured the cleanliness of water containers and emphasized the importance of using safe and sanitized drinking water.
4. **Collaboration with Local Authorities:** The NSS Team collaborated with local authorities to identify areas with higher water scarcity and coordinate efforts effectively. This partnership enhanced the program's reach and impact.

#### Outcomes:

1. **Community Relief:** The free drinking water supply initiative provided immediate relief to community members facing challenges related to water scarcity during the summer season.
2. **Hydration Awareness:** The program contributed to raising awareness about the significance of staying hydrated, especially in hot weather conditions, promoting better health practices within the community.
