### NATIONAL SERVICE SCHEME

**Name of the Activity :** Awareness of Carona

**Date :** 30-03-2022

**No of Participants :** 40

#### Objective:

The students of St. Ann's College undertook the initiative to create awareness about COVID-19 in Gorantla Village with the primary objective of educating the local community about the virus, its transmission, preventive measures, and promoting responsible behavior to curb the spread of the disease.

#### Outcomes:

**Increased Knowledge:** The awareness campaign led to an increase in knowledge among the residents of Gorantla Village regarding the nature of COVID-19, its symptoms, and modes of transmission. This knowledge empowered individuals to make informed decisions about their health.

**Promotion of Preventive Measures:** Students actively communicated and demonstrated the importance of preventive measures such as wearing masks, practicing social distancing, and maintaining hand hygiene. This contributed to the adoption of healthier practices within the community.

**Dispelling Myths:** The awareness program addressed common misconceptions and myths surrounding COVID-19, fostering a more accurate understanding of the virus. This helped in reducing anxiety and promoting a sense of community solidarity in combating the pandemic.

**Community Engagement:** The involvement of students in the awareness campaign facilitated community engagement. Open dialogues and interactions between the students and the villagers created a conducive environment for sharing information and addressing concerns.

#### Report:

In a proactive response to the ongoing COVID-19 pandemic, the students of St. Ann's College took the initiative to create awareness in Gorantla Village. The campaign, conducted with a sense of responsibility and community service, aimed to impart vital information about COVID-19 to the local residents.

4. **Distribution of Educational Materials:** Providing pamphlets, posters, and other educational materials to reinforce key messages about COVID-19 awareness and preventive measures.
5. **Community Health Check-ups:** Organizing health check-up camps to assess the general health of community members and address any immediate health concerns.

**Report:** The NSS Unit of our college is actively preparing for the "Special Camp" in Adavithakkellapadu village, focusing on COVID-19 Awareness, scheduled to take place from March 28th to April 3rd, 2023. The camp will be a dedicated initiative to provide accurate information, dispel myths, and actively engage with the community to address specific concerns related to the ongoing pandemic.

Through workshops, vaccination awareness drives, myth-busting sessions, and community health check-ups, the special camp aims to contribute significantly to creating a more informed, aware, and healthier community in Lam village. This initiative underscores the NSS's commitment to community service and its role in promoting public health and well-being.
