NATIONAL SERVICE SCHEME

Name of the Activity : Awareness on Plastic Ban
Date : 27-11-2019
No. of Participated : 50

Objective:

To create awareness about the environmental hazards of plastic use and advocate for the reduction or elimination of plastic usage.

Report :

Conducting campaigns and community events focusing on the harmful effects of plastic and promoting alternatives. Among the banned plastic and polythene are drinking water pouches, plastic water bottles with less than 500ml capacity, polythene bags, disposable plastic cups, plates, glasses, bowls, spoons, thermocol cups, plates, glasses and bowls, plastic dishes used in hotels for packing food items and plastic straws used for cold drinks and beverages. Thermocol will not be used for decorating marriage pendals and puja mandaps. People have been asked not to carry any plastic or polythene bags to any public place.

Outcomes :

Plastic bag bans can lead to larger black markets in plastic bags. Studies show that plastic bag bans can shift people away from using thin plastic bags, but it can also increase the use of unregulated single use paper bags or unregulated thicker plastic bags in areas where these are provided for free.
