NATIONAL SERVICE SCHEME

Name of the Activity : Survey on Unemployment of Youth

Date : 28-03-2023

No. of Participated : 50

Objectives:

- To comprehensively assess the extent and nature of youth unemployment in the targeted community.
- To identify the underlying causes and challenges contributing to youth unemployment. Thirdly, to gather data that can inform potential interventions and policy recommendations aimed at addressing this critical issue.

Outcomes:

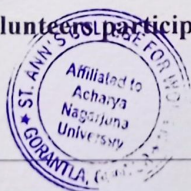

- It provided a detailed understanding of the current unemployment scenario among the youth in the surveyed community.
- The data collected enabled the identification of key factors contributing to unemployment, including educational, economic, and social aspects.

Brief Report:

NSS volunteers actively engaged in a survey focused on the critical issue of youth unemployment. The initiative aimed to gather comprehensive data on the extent, causes, and challenges associated with unemployment among the youth in the targeted community. The volunteers conducted interviews, distributed questionnaires, and interacted with local youth to compile relevant information. The survey shed light on the multifaceted nature of youth unemployment, revealing factors such as educational gaps, limited job opportunities, and social barriers contributing to the issue. The gathered data served as a valuable resource for formulating informed strategies and recommendations to tackle youth unemployment effectively.

NATIONAL SERVICE SCHEME

Name of the Activity : Awareness on Plastic Ban
Date : 03-04-2023
No. of Participated : 50

Objective:

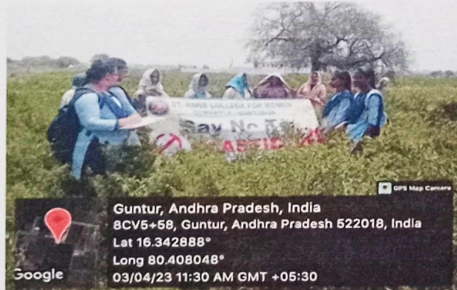

To create awareness about the environmental hazards of plastic use and advocate for the reduction or elimination of plastic usage.

Report :

Conducting campaigns and community events focusing on the harmful effects of plastic and promoting alternatives. Among the banned plastic and polythene are drinking water pouches, plastic water bottles with less than 500ml capacity, polythene bags, disposable plastic cups, plates, glasses, bowls, spoons, thermocol cups, plates, glasses and bowls, plastic dishes used in hotels for packing food items and plastic straws used for cold drinks and beverages. Thermocol will not be used for decorating marriage pendals and puja mandaps. People have been asked not to carry any plastic or polythene bags to any public place. All religious institutions, hotels and restaurants have been directed to strictly abide by the order.

Outcomes :

Plastic bag bans can lead to larger black markets in plastic bags. Studies show that plastic bag bans can shift people away from using thin plastic bags, but it can also increase the use of unregulated single use paper bags or unregulated thicker plastic bags in areas where these are provided for free.

NATIONAL SERVICE SCHEME

Name of the Activity : Awareness programme on Illiteracy
Date : 02-04-2023
No. of Participated : 50

Objective:

Raise awareness about the significance of literacy and education among the residents of Adavithakkellapadu village through informative sessions, workshops, and distribution of educational materials, with the aim of mobilizing community participation and fostering sustainable initiatives to combat illiteracy.

Brief Report

NSS Volunteers successfully conducted an awareness program on illiteracy in Adavithakkellapadu village. The event included informative sessions, workshops, and the distribution of educational materials to raise awareness about the importance of literacy. The objective was to mobilize community participation, fostering sustainable initiatives to combat illiteracy. The program aimed to empower residents with essential knowledge and skills, promoting a positive attitude towards education. Feedback and impact assessments will be utilized to measure the effectiveness of the initiative in the long term.

NATIONAL SERVICE SCHEME

Name of the Activity : Awareness programme on water pollution
Date : 31-03-2023
No. of Participated : 50

Objectives:

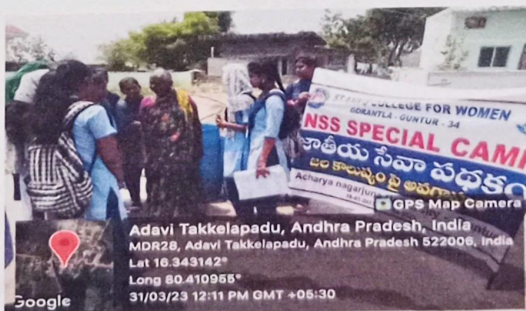

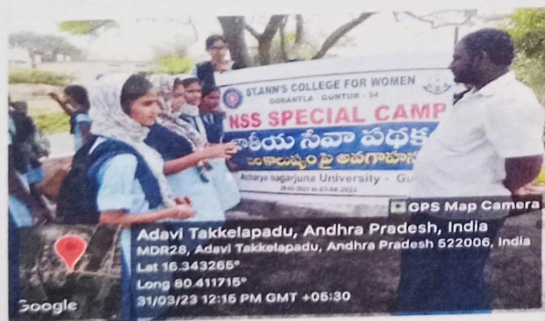

- To educate the community about the various sources and consequences of water pollution. Secondly.
- To raise awareness about sustainable water management practices and the importance of preserving water quality.
- To foster a sense of responsibility among community members towards preventing water pollution. To empower individuals with practical tips and solutions for minimizing their environmental impact.

Outcomes:

- It enhanced the community's understanding of the sources and implications of water pollution.
- There was an increased awareness of the importance of adopting sustainable practices to preserve water quality.
- The program successfully instilled a sense of responsibility among participants, encouraging them to actively contribute to preventing water pollution in their daily lives.

Brief Report:

On March 31, 2023, NSS volunteers undertook a crucial initiative to raise awareness about water pollution. The awareness program targeted the community, aiming to educate individuals about the sources, consequences, and preventive measures related to water pollution. The program commenced with informative sessions, where volunteers discussed the various pollutants affecting water sources and their impact on both the environment and human health. Engaging visuals and real-life examples were used to enhance comprehension.

NATIONAL SERVICE SCHEME

Name of the Activity : Awareness programme on Health & Cleanliness
Date : 30-03-2023
No. of Participated : 50

Objectives:

- To alleviate the impact of the hot season by providing a free cool water service point for people walking on the main road.
- To contribute to community well-being by offering a refreshing solution to quench the thirst of individuals in need.

Outcomes:

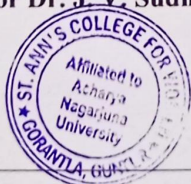

- It provided immediate relief to individuals walking on the main road, addressing the discomfort caused by the hot weather.
- The initiative enhanced the image of NSS as a community-oriented organization, actively contributing to the welfare of the local community.

Brief Report:

As part of a compassionate NSS activity, on March 30, 2023, NSS volunteers established a Free Cool Water Service Point at the entrance gate of the college. The initiative aimed to address the challenges posed by the intense heat of the season by providing a refreshing respite for people walking on the main road. Throughout the day, NSS volunteers actively served cool water to passersby, offering a simple yet impactful solution to quench their thirst. The location at the college entrance gate strategically positioned the service point to benefit a broad cross-section of the local community

Asst. NSS Coordinator Dr. J. V. Sudheer Kumar visited the camp and gave guidelines to volunteers

NATIONAL SERVICE SCHEME

Name of the Activity :Pollution Rally

Date :02-04-2022

No of Participants :40

Objectives:

- To educate people about the importance of pollution control acts and making them aware about industrial disasters.
- To bring awareness to people about prevention of air, soil, noise and water pollution.

Outcomes:

- All the students of our college and the public who had witnessed the rally learnt about the importance of environment.
- They have learnt the types of pollutions, the adverse effects of pollution and the measures to control pollution.

Description:

All the NSS volunteers St. Ann's College For Women, Gorantla took it upon them to spread awareness about the ill-effects of pollution on environment, around the neighboring communities of Gorantla on 02-04-2022. The rally flagged off from the College campus by our Principal Rev. Dr. Sr. Fatima Rani. P, from where the enthusiastic cadets walked around the community announcing slogans, holding placards and handing out informative pamphlets to the residents. The entire activity was well received and it was heartening to see the residents observe and take note of the sensitive message being voiced by the young NSS volunteers of St. Ann's College.

3. **Community Engagement:** The active participation of NSS volunteers fostered a sense of community engagement and solidarity, emphasizing the NSS's commitment to addressing pressing needs in the community.

Impact: The NSS Team's initiative to supply free drinking water during the summer season had a positive impact on the well-being of the community. By addressing an essential need, the program not only provided immediate relief but also strengthened the bonds between the NSS Team and the local residents.

This event exemplifies the NSS's dedication to community service and its responsiveness to the immediate needs of the community during challenging times. The success of the program underscores the NSS Team's commitment to making a meaningful and positive impact on the lives of those it serves.

A programme was Conducted by NSS Team , they have supplied free Drinking water during Summer season.

4. **Distribution of Educational Materials:** Providing pamphlets, posters, and other educational materials to reinforce key messages about COVID-19 awareness and preventive measures.
5. **Community Health Check-ups:** Organizing health check-up camps to assess the general health of community members and address any immediate health concerns.

Report: The NSS Unit of our college is actively preparing for the "Special Camp" in Adavithakkellapadu village, focusing on COVID-19 Awareness, scheduled to take place from March 28th to April 3rd, 2023. The camp will be a dedicated initiative to provide accurate information, dispel myths, and actively engage with the community to address specific concerns related to the ongoing pandemic.

Through workshops, vaccination awareness drives, myth-busting sessions, and community health check-ups, the special camp aims to contribute significantly to creating a more informed, aware, and healthier community in Lam village. This initiative underscores the NSS's commitment to community service and its role in promoting public health and well-being.

Environmental Initiatives: Undertaking tree plantation drives, awareness campaigns on environmental conservation, and promoting sustainable practices.

Report:

The NSS Unit of our college is eagerly preparing for the "Special Camp" scheduled to take place in Tati Reddy Palem Lam village from March 29th to April 4th, 2022. The camp is designed to be a comprehensive community engagement initiative, focusing on health, education, cleanliness, cultural exchange, and environmental sustainability.

The planned activities aim to address the specific needs and challenges faced by the village, reflecting a commitment to holistic community development. Through collaborative efforts and a hands-on approach, the NSS Unit aspires to create a positive and lasting impact on the lives of the villagers in Tati Reddy Palem Lam. This "Special Camp" aligns with the core values of the NSS, emphasizing the importance of community service, social responsibility, and active participation in creating positive change.

NATIONAL SERVICE SCHEME

Name of the Activity : Awareness Programme on Technology In Good Governance

Date : 01-11-2018

No. of Participated : 40

Brief Report :

NSS Volunteers successfully conducted an awareness program on Technology In Good Governance. Awareness and Communication is an integral component of the National e-Governance Plan. A&C performs the crucial role of generating and raising the level of awareness about NeGP, related services and service delivery channels amongst NeGP's diverse stakeholders across the country. The main objectives of A&C activities are:

- Build NeGP as an umbrella brand
- Create awareness about e-Governance services and service delivery points
- Build ownership/ stake of implementers in NeGP

NATIONAL SERVICE SCHEME

Name of the Activity : Environment Day
Date : 05-06-2018
No. of Students Participated : 20

Objective:

The National Service Scheme (NSS) Unit of our college is organizing an "Environment Day" Awareness Programme in Gorantla village on June 5th, 2018, with the primary objective of raising environmental awareness and promoting sustainable practices within the local community.

Outcomes:

Increased Environmental Awareness: The awareness program aims to enhance the understanding of environmental issues among the residents of Gorantla village. Information on topics such as pollution, waste management, and conservation will be shared to empower individuals to make eco-friendly choices.

Community Participation in Conservation: The program seeks to foster active community participation in environmental conservation efforts. By engaging with the villagers, the NSS unit aims to instill a sense of responsibility towards the environment and encourage collective action.

Report:

The NSS Unit of our college is gearing up for an impactful "Environment Day" Awareness Programme scheduled for June 5th, 2018, in Gorantla village. The comprehensive plan of action includes interactive sessions, a tree plantation drive, waste management workshops, and a clean-up drive.

The program is designed not only to inform but also to actively involve the villagers in sustainable practices. By fostering awareness, promoting community participation, and encouraging long-term behavioral changes, the NSS unit aims to contribute to the overall environmental well-being of Gorantla village.
