Activity Description:

One of the most creative mediums in which one can express is through painting and various types of painting mediums can be used to present thoughts on various surfaces, especially in textiles. Fabric painting can be used to decorate everything from clothing to home furnishings like curtains and tablecloths. It opens all sorts of possibilities for creative expressions, allows you to create unique one-of-a-kind works of art, and it isn't hard to do. It is possible to paint any fabric, but tightly woven natural fabrics like cotton and silk are easiest to decorate if a crafter is attempting to create images. In this activity. The activity was very beneficial for the students as it was all about creativity, and as young upcoming Indian fashion designers, students must know about Indian art so that they can use their research and this activity's experience in the future in designing. The outcome of this activity was very impressive.

Activity Outcomes:

- Got knowledge about which fabric is more suitable for painting.
- Learned teamwork and got knowledge about paintings.
- Learned about colours and practical exposure to various fabric arts.
- Got a deep understanding of art and culture was very creative and informative.
